Disclaimer of BYD Dolphin

- Features remarked with "O" are not part of the standard features, they need to be purchased additionally.
- The product & feature images and illustrations shown in the brochure is for the purpose of representation only.
- Specifications and features shown in the brochure may not be of standard and may vary from the products supplied, BYD reserves the right to vary vehicle specifications and standard features from those detailed in this brochure.
- The driving range: NEDC (km) is as per the test report issued by IDIADA as per the test of New European Driving Cycle as per ECE R101. The real range is influenced by many factors such as individual driving style, speed, outdoor temperature, load condition, traffic condition, etc.
- The charging time (DC, from 0% to 80%) in 42 minutes and the DC charging port - CCS 2 (60kW) are under the standard condition of the charging, which may vary by many factors such as the electricity load, charger specifications, outdoor temperatures, etc.
- The charging time (AC, from 0% to 100%) in 7.5 hours and AC Charging port – Type 2 (7kW) is under the standard condition of the charging, which may vary by many factors such as the electricity load, charger specifications, outdoor temperatures, etc.
- Bluetooth® is a registered trademark of Bluetooth SIG, Inc. Compatibility and functionality varies depending on device.
- Colors depicted are a guide only and may vary from actual colors due to the printing restrictions, the colors shown in the brochure are subject to availability.
- BYD advanced drive assistant system is not a substitute for human eye and driver vigilance. It is a driver assist system that enhances driving experience and safety. The driver shall remain responsible for safe, vigilant and attentive driving. See owner's manuals for complete details.
- Battery standard: UN38.3 and ECE R100.
- BYD reserves the right to vary vehicle specifications and standard features from those detailed in this brochure. For the latest information on features, specifications, and other details, please contact the authorized BYD dealer in Sri Lanka before placing an order.

- The picture of OBU (BYD Intelligent Cockpit System) functions displayed herein are for reference only, the actual functions and Apps available are subject to changes of the respective market. Please note some Apps of third-party licenses, such as built-in navigation and built-in streaming music are currently not accessible in Sri Lanka; and some features are currently only available over Wi-Fi or mobile hotspot that data rates may apply subject to your mobile carrier.
